The company intends to utilize the Net Proceeds from the Fresh Issue for the following purposes:

4. General corporate purposes.

Mr. Ashraf P discussed and explained their vision for the IPO and utilization of its proceeds and highlights the below points:

While the operational capabilities and capacity will be further expanded as long as it helps them achieve better overall performance. As part of their business expansion plan, they must purchase more equipment because their company engages mainly into manufacturing of Gold Jewelleries, which call for highly inventive outputs to satisfy customer needs at bulk quantities, shorten lead times and satisfy industry standards. This calls for an investment in purchasing new equipments for the ease of its manufacturing

process at the existing manufacturing facility which will enable them to achieve functional efficiency and will enhance the capacity of the finished product and stay up to date with technology.

Mr. Ashraf P also highlighted the need of funding working capital requirement through the IPO proceeds and shared that to cope up with the volatility in the global economy and the subsequent volatility of economic activity in India, and to cope up with the liquidity pressures which might lead to reduce the credit period of their customers substantially in order to reduce their working capital gap. This is one of the major reasons for increase in their working capital requirements.

#### **Analysis of Other Documents and conclusion**

During my visit to the registered office, Mr. Ashraf P showed me the office area including their conference room, director's cabin, back-end office, sales and purchase department and other departments of the office where other records were kept.
